

TAXES & DUTIES · WHAT TO EXPECT

Backer Tax & Duty Memo

All pledge amounts shown on the campaign are excl. VAT / sales tax (HT). Depending on where you live, local VAT, GST or sales tax may be added on top of your pledge + shipping - in most major regions this is calculated and charged automatically by Kickstarter at checkout, so there's nothing you need to do.

Region / Country	Rate	Kickstarter checkout
EUROPE		
France	20%	Added automatically by Kickstarter
Germany	19%	Added automatically by Kickstarter
